

Dear Colleagues,

I received many questions about meeting in Czech republic and therefore I will send information>

1. The Charter of Apislavia, Article 22 (1 and 2) - General Assembly is made up of the heads of the organizations from Apislavia member countries and therefore Czech republic as a inviting member covers accommodation, catering (food) and local transportation and excursion.
2. From Fundamental Principles, Article 1 - the Membership fees (250 €) is possible to pay:
Bank account:
or
directly in Prague
3. The organizations which need VISA to EC have to send the name of inviting person and data to obtain VISA to Apislavia office (best by Email to toporcakjuraj@yahoo.com or toporcak@uvm.sk) as soon as possible.

Please send me message back if You received this Email for registration and to help organisers of this meeting. Thank You very much.

Dear Colleague I have to send You very sad information and funeral notice.
